

**Milwaukee Section - American Chemical Society  
Instrument Donation Program**

Donor Form

As part of the American Chemical Society's Instrument Donation program, this form is designed to facilitate the process of connecting donors with recipients. Please bear in mind that the donation will be made to colleges or high schools that are in the vicinity of the industry in order to establish a school and industry relationship. Donations will be made on a first come serve basis. Please contact Peter Petersen at [peterp901@juno.com](mailto:peterp901@juno.com) or check the availability instruments and other laboratory equipment on <http://alchemy.chem.uwm.edu/amalgamator/education/IDP> . If you need more space, feel free to type on additional pages.
