

# Wine Tasting

**WHO:** WiSE TAG/TDN Members

**WHEN:** Sunday February 11, 2007 {2:00 - 3:30pm}

**WHERE:** *Sheridan's*, in the Milwaukee Public Market

**WHY:** To have fun discovering and tasting fine wines!

**Cost:** FREE if you have paid your TAG dues, Which are only \$5, you can pay your TAG dues at the tasting!

Join your fellow WiSE TAG and TDN members for a fun filled afternoon at the new and upscale Milwaukee Public Market. Sheridan's Finest Wines & Generous Spirits, a very reputable source for wines of all types, will be hosting a tasting party exclusively for WiSE TAG and TDN members. This event is sure to appeal to novices and connoisseurs alike. Learn about the process of making wine, pairing of wine with dishes, and what are "legs", "palettes", and "big" wines all about?

If you are like me, and have limited exposure to the somewhat intimidating subject of wine- please take advantage of this wonderful opportunity to learn (and drink!) wines in a welcoming and relaxed atmosphere. Perhaps you will find new varietals that you otherwise may be hesitant to try. This event will be a fun and light-hearted approach to the many intriguing aspects of the wine drinking "experience".

**There are only 20 spots for this tasting, so please RSVP as quickly as possible. This event is expected to fill very quickly.**
